

Recommended Practices for Construction Jobsites

- ▶ Don't go to work if you are feeling sick.
- ▶ Practice Social Distancing.
 - Work in occupied areas should be limited to only those tasks that are strictly necessary.
 - Limit physical contact with others.
 - Increase personal space (to at least 6 feet,).
 - Limit out-of-office meetings and replace them with phone or online meetings.
 - Do not congregate in groups for meetings breaks or lunch.
- ▶ Wash your hands with soap and water for at least 20 seconds or clean your hands often with an alcohol-based hand sanitizer that contains at least 60-95% alcohol. Soap and water should be used preferentially if hands are visibly dirty.
- ▶ Cover your mouth and nose with tissues if you cough or sneeze or do so into your elbow.
- ▶ Do not share tools.
- ▶ Do not share personal protection equipment (PPE).
- ▶ Sanitize reusable PPE per manufacturer's recommendation prior to each use.
- ▶ Ensure used PPE is disposed of properly.
- ▶ Utilize disposable gloves where appropriate.
- ▶ Wash your hands after removing gloves.
- ▶ Disinfect reusable supplies and equipment.
- ▶ Throw away trash in proper receptacles.
- ▶ Do not use a common water cooler.
- ▶ Change your work clothes prior to arriving home; and wash clothes in hot water with laundry sanitizer.
