## Senior Staff Accountant

---

One of the leading General Contractors in Western NY is looking to hire an experienced Senior Staff Accountant.

This dynamic professional will be trained to successfully supervise all Accounting and Contract Administration. Actively involved with company leadership and staff, supervision of accounting includes Accounts Receivable and Accounts Payable, payroll, and assistance with Project Progress Reports.

Candidates seeking to join our family friendly firm will need to have a minimum of a 4-year degree in Accounting, exposure to Job Costing, and 3+ years of public or industry-specific experience. Sage Construction or Job Costing Software experience a plus.

Salary range: \$75K-\$115k (depending on experience)

Please send electronic resume and salary requirements to [Info@BuildTaylor.com](mailto:Info@BuildTaylor.com).

**NO PHONE CALLS WILL BE ACCEPTED!**
